Report of Principal and School Improvement Council

Upon entering our school, one can immediately sense the child-centered atmosphere that has already made Laurel Hill Primary School (LHPS) an award-winning school. Due to the formula by which Primary Schools are rated, a school must be in existence for at least four years prior to receiving absolute and/or improvement ratings, thus this report card lacks such ratings. Please know that LHPS is excelling in all of the evaluated areas and had we received ratings this year we would have received an EXCELLENT absolute rating as well as an EXCELLENT growth rating.

At LHPS we are committed to the success of each child. Our students continue to grow in all areas: academically, socially, physically and artistically. Teachers and administrators monitor student achievement regularly, and we are very pleased with our outstanding results in all content areas. For example, the vast majority of our 1st and 2nd grade students (80% in Reading and 83% in Math) scored above the national average as indicated by MAP assessments. Various annual events were once again held for our school community including Family Reading Night, LEAP Into Reading Parent Education Night, Family Math Night and Family Art Night.

Technology integration continues to be a focus at Laurel Hill. The use of interactive SMARTBoards in classrooms has provided teachers and students with amazing educational experiences. Our goal is to outfit each classroom with this technology in the coming year. We are grateful for the many individuals, families and businesses that have contributed their time, effort, and financial resources toward this initiative.

This year LHPS earned accreditation through the National Association for the Education of Young Children (NAEYC). This prestigious accreditation status has been described as the gold standard by which early childhood programs are evaluated. We are extremely proud of this accomplishment which validates the incredible work that our dedicated teachers perform on a daily basis.

As LHPS perpetually works toward our vision of a professional learning community, our teachers continue to participate in workshops, on-site graduate courses and professional book studies. We held our third annual Laurel Hill Mini Conference that provided a venue for our master teachers to present sessions to other faculty members. Current research is clear that the greatest factor in student success is a master teacher in every classroom. We are thrilled that eleven of our current faculty members have already achieved National Board Certification and that others will be pursuing this professional honor in the coming year.

LHPS is proud of our current successes and is committed to continued improvement in all aspects of educating our children. We appreciate the support from parents and our Mt. Pleasant community, whose partnerships involve volunteering, fundraising, tutoring and organizing various events. The primary goal at Laurel Hill Primary School is to challenge every one of our students to meet his or her greatest potential. We focus daily on helping our children cultivate a love of learning that will last a lifetime.
